

Kenross

Kenross Light Filtering and Blockout

Features

Kenross is a jacquard weave fabric with a subtle shimmer, available in nine neutral colours, with matching translucent and blockout options, which allows for coordination throughout the home.

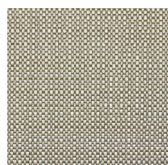

Care Instructions

Dust fabric with a feather duster or gently vacuum using the appropriate attachment.

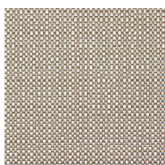

For the removal of dirt and grime, sparingly wipe the affected area with a clean sponge dampened with lukewarm water. If marks are still visible, add a small amount of mild liquid detergent.

Then dry gently with a clean cloth.
